

Neos. 180 range

Neos
Design: wiege

Model 181/71
Seat and backrest
upholstered, frame
polyamide

For 30 years Wilkhahn has been a standard bearer for simplicity in design. All Neos office task chairs embrace this philosophy and offer:

- Straightforward adjustments of seat and backrest height, seat depth, armrest position and weight settings.
- Automatic and ergonomic adjustment of the flexible backrest shell to different shapes of back.
- And automatic promotion of dynamic sitting postures.

By pressing just two buttons and the conveniently placed lever, adjusting Neos to your level of comfort is child's play.
